Introduction

Festivals and celebrations are an important part of our culture. As Technogisers are from diverse ethnicities, we take pride in offering a comprehensive list of Holidays where Technogisers can enjoy the festivals and celebrations as they wish. Our list of Holidays is divided into two broad categories; Fixed and Optional.

Eligibility

1. Any Technogiser working full time is eligible for optional holidays.
2. To avail of both Optional Holidays, we must have been with Technogise for more than 6 calendar months during the year.
3. If we join or leave mid-year without completing 6 months, we are entitled to only 1 Optional Holiday for that year. If 2 Optional Holidays are already taken, and we leave before 6 months, 1 leave will be deducted from our Full and Final settlement.

Guidelines for Fixed Holidays

- The below days are **Fixed Holidays** in Technogise for the year 2026..
- If, because of delivery commitments, we are **working** on any of the above Holidays, then we will be eligible for an **additional annual leave(s)** in lieu accordingly.
- Even if we are working at the client location, our leaves and public holidays are still governed as per the guidelines at Technogise.

Guidelines for Optional Holidays

- Optional Holidays can be chosen according to an individual's preference.
- Once an Optional Holiday is taken, requests for changes are not permissible. For instance, if an Optional Holiday for January 14th is used, it cannot later be switched to August 11th.
- Uniform Guidelines: Even when working at a client's location, leave and public holiday policies align with Technogise's guidelines.
- These guidelines ensure that employees can choose Optional Holidays as per their preferences while adhering to the company's operational requirements and fairness standards.

What is our responsibility?

- Similar to planned leaves, advance notice is required to take an Optional Holiday. This ensures smooth coordination with our client and team. We should inform about us availing an optional holiday 3 days in advance.
- Information regarding Optional Holidays will be communicated through the Leave Channel via the Leave Calendar. We can also refer to the Leave Policy for available Optional Holidays. Personal reminders for Optional Holiday utilization will not be sent.
- We need to add our optional holiday well in advance to our Kimai/Timesheets to avoid any last-minute confusion/hassle.
